

UNITED WAY OF NATRONA COUNTY RESULTS MATTER

A QUARTERLY REPORT TO UNITED WAY DONORS

May 2007

Editor: Laura Bemis

Your Contribution Makes a Difference

United Way contributions provide scholarships for gym and pool use and for social activities for the physically disabled, mentally challenged or financially or otherwise disadvantaged at the Casper Family YMCA.

Jean's Story

Jean recently wrote a letter of appreciation to YMCA, CEO, Chris Detrick, thanking him for the scholarships provided for her children, when a disability left the family with one income. Scholarships are provided through funding by the United Way of Natrona County.

"Recently, someone mentioned to us that the YMCA graciously offers scholarships for members of the community in our financial situation, so my husband and I humbly applied for a scholarship and we were accepted as members of the YMCA."

"This scholarship has given our family back the ability to come to a safe and fun place to exercise and enjoy time as a family. The YMCA offers not only activities, but it offers family-oriented values as well. Thank you so very much for your assistance as well as the kindness that you have shown my children. Your calling them by name and caring enough to visit with them has been good for them."

"Being a working mother, the YMCA has offered me the opportunity to know that my children are in a safe environment and being taught quality skills and good values and ethics."

Sincerely,
Jean

Thank you!
